BE ABLE TO MANAGE TASKS FOR SUB-ASSEMBLY #334 .....	12

## Bugs & Change

- #250 - Multiple insert, on factory page, if not
- #302 - Rename accounting to accounting
- #298 - Check if we can use Lightblue Theme
- #296 - Use provider for factory settings
- #295 - Use middleware for check factory setting
- #300 - Fix English traduction
- #295 - Use middleware for check factory setting
- #309 - Error Exception - Trying to access array offset on value type null
- #305 - Use middleware for check statu setting
- #307 - Need one favicon
- #317 - Fixe picture width
- #322 - product load on update line
- #304 - User laravel service for get selected values
- #326 - Order line qty to 0 create bug on task manage
- #328 - the qty is not taken correctly
- #329 - production.ERROR: Undefined property: stdClass::\$qty
- #330 - Attempt to read property "purchaseLines" on null
- #331 - Attempt to read property "drawing\_file" on null
- #335 - Exclude internal orders from the order total present in graph

# Improvement

## RGPD Rules #299

RGPD

[FR] RGPD

**Consentement explicite**  
En utilisant notre site, vous consentez de manière libre, informée et sans équivoque à la collecte et au traitement de vos données personnelles conformément à cette Politique de confidentialité.

**Droit à l'information**  
Nous vous informons de manière transparente sur la collecte et le traitement de vos données personnelles à travers notre politique de confidentialité accessible facilement.

**Droit d'accès et de rectification**  
Vous avez le droit d'accéder à vos données personnelles et de les corriger si elles sont inexactes. Vous pouvez le faire en vous connectant à votre compte sur notre plateforme.

**Limitation de la collecte des données**  
Nous ne collectons que les données personnelles nécessaires à des fins spécifiques. Vous avez la possibilité de choisir les données que vous souhaitez partager avec nous.

**Durée de conservation**  
Nous conservons vos données personnelles uniquement pendant la période nécessaire à la réalisation des finalités pour lesquelles elles ont été collectées.

**Sécurité des données**  
Nous avons mis en place des mesures de sécurité appropriées pour protéger vos données personnelles contre la perte, la divulgation non autorisée et l'accès non autorisé.

**Portabilité des données**  
Dans la mesure du possible, nous vous fournissons un moyen de récupérer vos propres données personnelles. Vous pouvez le faire en contactant notre service client.
